

Report on **Workshop on Investor's Protection organized by Department of Economics, Bidhannagar College**

**Speaker: Sri Abhijit Saha, representative of SEBI**

**Date: 23.11.2022**

**Venue: Seminar Room, Bidhannagar College at 2:00 p.m.**

**Subject: Securities Market- Understanding from Investor's Perspective**

**Number of Participants: 78**

**Objective:** to create awareness among the students who want to invest in the shares of a company and in mutual funds in the Securities Market.

The discussion was amazing, interesting and informative.

- Types of securities and nature of Security Market
- Market infrastructure Institutions and intermediaries
- Key risks in investing in securities market
- How to mitigate the risks?
- Account opening process
- Process of investment in primary and secondary market
- Do's and Dont's for investing/trading in Securities Market

Apart from the above discussions a question answer session was also conducted between students and the speaker Sri Abhijit Saha. He also collected email addresses and contact numbers of the students for one-to-one correspondence and for further quarries.

The programme was a grand success.
