Internal Complaint Committee

A LOCAL COMPLAINTS COMMITTEE (LCC) has been set up to receive complaints of sexual harassment of women in the work place. Dr. Lina Sen, Associate Professor, Dept of Bengali (Mob. 9830037809) is the Convenor of the Committee.

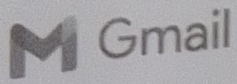

The Nodal Person of the LCC is Dr. Sankalita Ghosh, Assistant Professor, Dept of Philosophy (Mob. 9830037809; E-mail: ghoshsankalita10@gmail.com)

Four COMPLAINT BOXES for grievances have already been set up and regularly checked so as to speed up the process of redressal if required.

An Internal Complaints Committee (ICC) has been set up under the Teachers Council to deal with the complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013. Complaints to the Committee can be lodged in person to the Convenor of the Committee or can be dropped in the Drop Box located outside the Principal's chamber or through our email or online portal. The procedure is based on the principles of natural justice. The college has also constituted a Gender Sensitization Committee against sexual harassment. Complaints can be lodged once again either physically or through our e-mail or online portal.

Sir/ma'am

This is Siddhartha Chaudhury from Bidhannagar College Kolkata, semester 6 History department. I have always tried to be a model student and purely focused on my studies and have never bothered anyone. I have always been punctual and never skipped any of my classes. I do not usually interact with many people and keep to myself. Despite all this I have been constantly harassed by a junior from semester 4 Political Science department. He continuously abuses me and makes fun of me and recently started touching me and carrying me around like a rag doll. He continuously hugs me even when I have repeatedly told him not to. Last Friday (8th April 2022) he was waiting outside the new building and forcefully grabbed my hands and wouldn't let go. I shouted and told him not to. Fortunately my departmental hod saw him and made him stop. The same day during a class test he walked in and started irritating me when there was no one in class. I have already informed the Political Science department hod and he told me he would talk to me in detail on Monday.

All I want is for him to leave me alone. I have my internals from 25th and finals from June. I am very very stressed and occasionally unable to focus. I tried calling the hotline but no one picked up.
Please please please make this stop.

Thank you Sir/ma'am

Siddhartha Chaudhury
