Subject: Invitation to Participate in a Programme to Build Sustainable STEM (Science, Technology, Engineering, Mathematics) Careers Among Women Undergraduate Students

Dear Madam,

Change Initiatives invites your esteemed institution to participate in a US Consulate Kolkata Programme "Women for Women: Supporting Each Other to Build Sustainable Careers". Change Initiatives is the implementing partner of the US Consulate.

We seek your support to arrange an aptitude survey among the women students pursuing STEM studies in your institution and select 2-3 of the students who will be mentored by eminent experts at the American Centre Kolkata (38-A, J.L. Nehru Road, Kolkata- 71) on the need to build sustainable careers in STEM fields.

The project also envisages setting up Women for Women circles at the colleges, which are peer support groups where workshop participants encourage their fellow students to achieve their professional goals.

We propose to hold the mentoring sessions at the American Centre on Saturday afternoons over a seven-month period starting November 2018.

Regards,

Suryatirtha Roy

Suryatirtha Roy (Secretary, Honorary)

Date: 10/9/2018

24th Sept - 1.30 pm. prog. may be arranged on night basis.

Date: 03-1-2019

To
The Principal,
Bidhannagar college, Salt lake

Sub: Career Talk programme by Regional Employment Exchange, Kolkata

Sir/Madam,

The undersigned, Employment Officer- in-Charge, Regional Employment Exchange, Kolkata, hereby seek your approval to conduct a Career Talk Programme at your esteemed institution, which is an integral part of Employment exchange activity under Vocational Guidance section, on 30.01.2019 around 11.30 A.M. The aim behind such programme is to disseminate knowledge regarding career opportunities at different academic levels, job market situation, and role of Employment Exchange in shaping career.

This programme will held in pursuance of The Administrative calendar 2018-19, Labour Department, West Bengal.

Thanking you for your cooperation in organising such an important Govt. curriculum.

With regards,

Yours faithfully

02.01.19.

Employment Officer in Charge

HP-Kolkata/ PG-37th/2021-2022/

Date: 07.05.2021

To,
The Principal/ Officer in Charge,
Bidhan Nagar Government College,
City Centre, EB-2, Sector 1, Bidhannagar, Kolkata, West Bengal 700064

Sub: Request for allowing conducting a Webinar on Two Years Full Time Post Graduate in Packaging Technology Programme by Indian Institute of Packaging, Kolkata Centre.

Dear Sir/ Madam,

You might be aware that the Indian Institute of Packaging is an autonomous body and working under the administrative control of Department of Commerce, Ministry of Commerce and Industry, Government of India. The Institute was set up in 1966, with its head office at Mumbai and the branches are located at **Kolkata, Chennai, Delhi, Hyderabad & Ahmedabad**. In addition, three branches are yet to be made operational at, **Bangalore, Kakinada and Guwahati**

The Institute is involved to promote the export market by way of innovative package design and development and also to upgrade the packaging standards at National Level. Keeping in view of this objective, the Institute is involved to various activities like Testing and Certification of packaging materials and packages for domestic and export market, Training and Education, Consultancy and Projects, Research and Development for the development of alternative packaging materials, shelf life studies related to packaging. The Institute is providing these services to a large number of Industries across the country and also to its neighbouring countries for the last 55 years.

Under the educational activities, the Institute has been conducting the two year's Post Graduate Diploma Programme (PGDP) for the last 36 years at Mumbai, Delhi, Kolkata and Hyderabad. More than 3700 skilled professionals trained by the Institute are serving for the leading FMCG companies in India and abroad in the senior position. We are now happy to inform that this year the 37th Batch of the PG Course will start from 2nd August, 2021 at our regional centre at Kolkata.

The Syllabus of the programme is exhaustive. The goal of the programme is to enable the participants to design and develop cost effective packaging system for various products. The course is designed in such a way that the successful candidates will have in depth knowledge in all the facts of packaging activities like Package Manufacturing, Packaging Machinery Manufacturing, Packaging Development in User Industries like Food, Pharmaceutical, Cosmetics, etc., Quality Control, Purchase and Marketing.

Eligibility : Graduate degree in Science (12 + 3) with Physics, Chemistry, Mathematics, Microbiology, Biotechnology, Botany, Zoology or Graduate in Engineering (12 + 4) with Food / Pharmaceuticals / Printing / Chemicals / Plastics / Polymer / Agriculture / Leather / Glass & Ceramics / Textiles / Dairy / Animal husbandry / Fisheries with minimum **second class**.

Age limit: 30 Years for General Category, 33 Years for OBC and 35 Year for SC/ST

Intake: At Mumbai = 280; Delhi = 100; Kolkata = 80 and Hyderabad = 40

We request you to please display the enclosed details of this course on your notice board prominently so that students can get details for admission for this course.

In this connection we would like to conduct a Webinar on "Career in Packaging" among the final year B.Sc students of various discipline of your College to disseminate the opportunities and career prospects in Packaging. You are requested to allow us and give a time slot in the month of **May 2021 for 2 hour 30 Minutes** for the same so that we can arrange a webinar and share the link to you for joining the webinar on "CAREER IN PACKAGING" so that the passing out students of B. Sc. can learn the subject and interested students can also choose their career in Packaging.

Submitted for your kind information and necessary action please.

Thanking you and with kind regards,

Bidhan Das

Online Workshop on Career Opportunities in Packaging 29.05.2021

An online workshop on Career Opportunities in Packaging was jointly organized by Placement and Career Counselling committee of Bidhannagar College in association with Indian Institute of Packaging, Kolkata centre on 29th May 2021 from 3 pm to 5.20 pm. More than 200 participants attended the workshop. There were considerable number of participants from Bidhannagar College from the Departments of Chemistry, Physics, Mathematics and Microbiology. Students from Departments of Statistics, Botany and Zoology also attended the workshop.

In the inaugural session of the workshop, the Officer-in-Charge of Bidhannagar College Mr. Tapomoy Das in his inaugural speech told that Packaging industry is fundamental to the participatory growth story of India as it stands today. In packaging, there is a passage from real need to the psychological need. Packaging essentially being transitory ensures the sustainability of the industry. It is also essential to every industry. The Director of Indian Institute of Packaging, Dr. Tanweer Alam also illuminated on the scope and necessity of the Packaging industry. He claimed 100 % placement after getting training in the Packaging Institute. Dr. Santanu Saha, Convener, Placement and Career Counselling committee, Bidhannagar College gave a warm welcome to the Director and Deputy Director of Indian Institute of Packaging.

Mr. Bidhan Das, Deputy Director, Indian Institute of Packaging, Kolkata centre was the speaker in the workshop. He started his lecture from 3.30 pm. Mr. Das explained the objectives of Packaging industry to the students. Indian Institute of Packaging (IIP), Kolkata was the head quarter of the Asian Packaging Federation twice. IIP is one of the members in World Packaging Industry. The aim of IIP is to increase the strength of the technical manpower through packaging education in India. IIP provides training and education as also research and development. The courses offered by IIP are two-year Post Graduate Diploma in Packaging (PGDP) which was started from 1985, 18 months Distance Education Programme, Intensive training course, Short term course, International training programme and National and International conferences. Mr. Das revealed the use of scientific materials and traditional materials in packaging industry in various fields. He also enlightened the students about the role of IIP as raw material manufacturer, packaging industry converter and packaging user industry. He also drew attention on ancillary packaging material. Food and pharmaceutical packaging are occupying 80% of packaging industry. Packaging industry is being considered as combination of arts, science, commerce, and technology which ensures safe delivery of products to consumer in sound condition at minimum overall cost. There are several levels of packaging like primary, secondary, and tertiary levels. He gave an idea about various symbols used in packaging and details of a proper label during packaging. He vividly described the curriculum of the two-year PGDP course and the job prospects in this field.

At the end of the presentation Mr. Bidhan Das invited questions from the students. Students from Department of Chemistry and Microbiology interacted with Mr. Das on various aspects of packaging as career option. The duration of the interaction was about 20 minutes.

This Workshop opened a new avenue before the students to pursue their career in the packaging industry.

Greetings from Pune Institute of Business Management!

PIBM is an AICTE approved, NAAC accredited and NIRF top ranked institute and has earned respect in India in a short span of 12 years due to its adherence to its vision "Employability through Right Education"

We believe in providing the right skill sets required in global companies and have a strong relationship with 1000+ companies from various sectors in aspects of placements, internships, etc.

In accordance with the philosophy of our trust i.e Indian Academy of Empowerment & Educational Research (IAEER) to impart quality education, we want to create symbiotic relationship and develop win-win conditions for both the organisations. As we have a strong relationship with companies in various sectors on the aspect of providing internships, live projects, incubation centres and final placements. Generally these companies come down to us looking for management skills and competencies for our MBA and PGDM students but they also have need for under-graduates, technical and management skills for graduate level. So we want to extend our arms to these fantastic collaborations with you to place your students in the area of Engineering, Finance, Marketing, etc.

Apart from Employability opportunity we would also like to train your faculties into new skill-sets and competencies desired by upcoming companies so your faculties are relevant in teaching learning pedagogy to the students to the standards of the current industry needs.

PIBM invites all your final year students for a Nationwide Placement drive, which is a government initiative in collaboration with NSDC (National Skill Development Corporation)

The students will have to appear for NEST (National Employability & Skills Test) to participate in the placement drive.

Structure of the NEST would include: Aptitude, Logical Reasoning, Verbal Ability and Domain (Technical/Non-Technical)

OBJECTIVE

- Students qualifying NEST will be allowed for the placement drive
- Students who would need improvement on any of the topics will be reskilled and placed by the institute
- We will share the results of the students with your institute for reference purposes.

NO COST INVOLVED IN APPEARING FOR NEST

ACHEVEMENTS

- We have successfully completed Faculty Development Program (FDP) in 1500+ campuses- PAN India
- Provided NSDC certificate to 1700+ faculties in various fields like Research, SPSS, R, Python, Power BI, Auditing and many more similar fields.
- We have trained 6000+ students and placed them globally

Kindly float the below attached registration link among your students so that we can arrange the exam slots accordingly.

Dear Sir/Madam,

SBI Life: Request for Permission

Interactive Session: "Your Needs, Our Solutions"

SBI Life Insurance Company Limited ("SBI Life", "The Company"), one of the leading life insurance companies in India, commenced its operations in the year 2001, and is a joint Venture between State Bank of India and BNP Paribas Cardiff, offering financial solutions through our wide distribution network of State Bank Group branches & Insurance advisors, spread across the country. The Company is listed on National Stock Exchange ("NSE") AND The Bombay Stock Exchange ("BSE"), has an AUM of Rs-1,162.6 billion as of March 31, 2018.

Life Insurance provides financial security to the dependents of an earning person, in case of any unfortunate event and, also offers solutions to various financial needs – like savings cum protection, pension etc. As of fiscal 2016, 27% of Indian population has some health cover and only 8% of the private sector retirees earn pension (as of 2014, Source-CRISIL report). Life insurance penetration in India stood at 2.7% in 2016 (Source-IRDAI). Swiss Re research shows that Protection gap for India stands at 92% (as on 2014). There is clear lack of awareness among the Indian populace about the solutions available with Life Insurance companies.

SBI Life offers savings as well as protection plans to address the Insurance needs of diverse customer segments, Keeping Indian families' requirements in mind. At SBI Life, it is our endeavour to sensitize, educate and assist people in understanding the importance of life insurance in their financial planning as also in identifying their various financial needs with **"Your Needs, Our Solutions"** (attached).

We seek an opportunity to conduct an interactive session - **"Your Needs, Our Solutions"** at your esteemed organization. Considering the fact that most tax planning activity is facilitated in these months each year, we are of the view that an interactive session at this stage might be of value to your good office, at a date convenient to you.

We seek your advice for the following requests,

 Officer-in-Charge

Report on the Interactive Session conducted by State Bank of India (SBI), Salt Lake Branch jointly organized with Placement & Career Counselling Committee, Bidhannagar College on 02.12.2022 with a possibility of recruitment of students under State Bank Life Insurance

The session started at 3 pm in the Seminar Room of Bidhannagar College. From SBI, the Senior Divisional Manager (Marketing), the Development Manager (Marketing), the Assistant Branch Manager and Assistant Vice-President (L & D, Training) were there to give a Power Point Presentation. Around 40 students from various departments of the College along with some passed out students were present. The SBI officials gave details of the job scheme. Interested students (with minimum requirement of Higher Secondary or equivalent examination pass out degree) are to go through a 3 months' training named UTKARSH for boys and SHAKTI for girls, with a minimum of SBI Life Insurance procurement demand of Rs. 6 lakhs and 3 lakhs respectively. The trainees would get 10% of the total amount insured during this tenure. They would not pay any fees for this training. After fulfilling this criterion only, they would sit for an examination for joining the job, with a nominal amount of payment of fees. Initially the gross annual income will be around Rs. 3 lakhs. With time, they would be promoted to higher positions with higher pay scales as per norms. After joining the job, anybody may leave it any time if they find something better. It would be a permanent job, with pension scheme and medical benefits for family.

The duration of the presentation was around an hour, followed by 30 minutes' discussion session. Overall it was a very fruitful program for the students. The SBI team as well as the students were requested to inform about recruitment from our College, if there be any in near future. The SBI officials were also requested to come again to the College when the Job Window will be open next time.

Sub : Conduct awareness program on career in Govt. Sector and future challenges for students of your esteemed institution.

Respected Sir/ Madam,
The career awareness for the students have proven to contribute much to their full filling dream of successful career. It provides a platform where students can choose their career wisely.

In view of this, we would like to request your good office to allow us to conduct a career awareness workshop with the given theme : " Leading the right path" to be facilitated to the students.

AVISION is India's Leading Institute for WBCS, BANK, SSC, RAIL & Other Competitive exams coaching in India. The Institute has produced excellent result in all WBCS and other Competitive Exams. The Institute's USP is the commitment till the success of its students. Some notable points are:

- * Up to 100% scholarship to meritorious students.
- * Four free demo classes for all interested candidates.
- * Govt. Exam pattern awareness program.
- * Free interacting sessions with highly qualified faculty

Sir / Madam,
Please provide your kind permission to organize the program on dated 21st march from 2.30 p.m. Hoping for your favorable response on this matter.

Thank You
Yours Truly
