Memo No.: 429/24 To The Branch Manager, State Bank of India, Salt Lake Branch, DB Block Kolkata - 70064		Date: 07/05/2024
Subject: Proposal for Renovation and Maintenance of Medicinal Plant Garden at Bidhannagar College under CSR Initiative		
Respected Sir,		
I am writing to propose a project for the renovation and maintenance of the medicinal plant garden at Bidhannagar College under the Corporate Social Responsibility (CSR) initiative of State Bank of India.		
Bidhannagar College has long been committed to providing holistic education and promoting sustainable practices among its students and the community. One of the invaluable assets of our institution is the medicinal plant garden, which has served as a hub for education, research, and community engagement. However, the garden has suffered considerable damage since the onset of the COVID-19 pandemic, and its restoration is crucial for the well-being of our college community and the surrounding area. The garden is now in need of renovation and ongoing maintenance to continue fulfilling its role effectively.		
The medicinal plant garden holds immense importance for several reasons:		
<ol style="list-style-type: none">Educational Enrichment: The garden serves as an outdoor laboratory where students from various disciplines can learn about the diversity of medicinal plants, their therapeutic properties, and their cultural significance. By renovating and maintaining the garden, we can enhance the educational experience of our students and foster a deeper understanding of traditional and modern healthcare practices.Research and Innovation: A well-maintained medicinal plant garden provides a unique opportunity for conducting research on plant biodiversity, phytochemistry, and the development of new medicines. By supporting research initiatives within the college, we can contribute to scientific innovation and the advancement of healthcare solutions.

Kolkata-700091

Sub: Request to provide the estimate for establishment of a Butterfly Garden at Bidhannagar College.

Sir,

It is very much known to your good self that Bidhannagar College is preparing itself to face the NAAC Peer team very shortly. The College has conducted a Green Audit of the College campus very recently. As per the recommendation of the Audit team a Butterfly garden should be constructed at the College.

Therefore you are requested to provide an estimate for construction of a Butterfly Garden at College at an urgent basis, so that it can be placed before the NAAC Peer team during their visit.

Cooperation from your end will be highly solicited.

Thank you.

Yours sincerely,

Sub: Request to provide the estimate for installation of LED Tubes, Lamps at both Old and New Building of Bidhannagar College (inside and outside) to reduce the electrical power consumption at the College.

Sir,

It is very much known to your good self that Bidhannagar College is preparing itself to face the NAAC Peer team very shortly. The College has conducted an Energy Audit of the College campus very recently. As per the recommendation of the Audit team all the existing lightening system installed at the College should be replaced with LED Lighting Systems.

Therefore you are requested to provide an estimate for installation of LED tubes, lighting fittings at different places of the College at an urgent basis, so that it can be placed before the NAAC Peer team during their visit.

Cooperation from your end will be highly solicited.

Thank you.
