## Criterion 7

### 7.1.3. Policy document on environment and energy usage for green campus initiatives

Following resolutions has been adopted as environment and energy usage for green campus initiatives of barrier free environment as per the discussions of the meeting of IQAC and Green Audit Committee of Bidhannagar College held regularly.

As communities around the world face the challenges of climate change, dwindling resources, and environmental harm, educational institutions have a pivotal role in fostering sustainable attitudes and actions. Bidhannagar College, as a hub of knowledge and societal impact, recognizes the importance of this duty. The Green Audit acts as a thorough evaluation tool that examines the college's environmental footprint, resource consumption, waste management, and its overall ecological impact.

#### **The primary objectives of Green Campus Policy are:**

##### ❖ **Energy Efficiency Assessment:**

Investigate energy consumption trends across various campus structures.  
Identify avenues for enhancing energy conservation and efficiency.

##### ❖ **Water Resource Management Analysis:**

Assess water origins, usage trends, and wastewater treatment capabilities. Offer suggestions for water preservation and fostering sustainable water practices.

##### ❖ **Waste Handling Evaluation:**

Examine waste production rates and disposal methodologies. Propose tactics for diminishing waste output, fostering recycling initiatives, and ensuring proper disposal practices.
