4. Thalassaemia awareness and screening campaign

I. Title of the Event: Thalassaemia Awareness Seminar and Screening

Date: 17.1.2024

Venue: Seminar Hall. Bidhannagar College

Report: Thalassaemia, as a disease is a silent killer. It is well-nigh incurable and brings limitless misery to the sufferer as well as to their family. Yet, a few simple steps are enough to prevent this disease and to eradicate the curse from the face of our planet. All we need is to be aware. A programme on Thalassaemia awareness is, therefore, a regular fixture in our NSS programme calendar. This year's thalassaemia awareness camp and screening camp was held in collaboration with the Thalassaemia Control Unit, B C Roy PGIPS. Our principal Dr. Saurabh Chakraborty gave the inaugural speech and encourage students for screening themselves. Mrs Madhumita Samanta, counselor elaborately and lucidly explain on the three simple steps that need to be followed for Thalassaemia eradication, viz. testing oneself, testing one's prospective spouse before marriage, and a test during pregnancy if both the partners are carriers. His address was punctuated by anecdotes and real life cases that he has experienced in his long career dealing with this disease. Around screening of 61 students was done. 7 faculty members were present in the programme.

8. Awareness Programme on HIV-AIDS and Blood Donation jointly organized by NSS unit Bidhannagar College and West Bengal State AIDS Prevention and Control Society

Title of the Event: Seminar on Awareness Programme on HIV-AIDS and Blood Donation.”

Date: 9.5.2024

Time: 1.00 pm

Venue: Seminar Hall, Bidhannagar College

Awareness on HIV-AIDS amongst people is required as, it is necessary for prevention and spreading of this disease. World AIDS Day has been commemorated every year to recommit to the global fight against AIDS and also to emphasize the necessity to support all those frontliners who lead the battle. WHO's top priority is Universal health coverage to prevent the disease and working in solidarity to uproot the curse of AIDS epidemic and build a healthier, safer world for all of us. In this context the National Service Scheme Unit of Bidhannagar College with association with West Bengal State AIDS Prevention and Control Society organized an awareness campaign on HIV/AIDS and Blood Donation on 9.5.2024. Keeping that in mind, we invited Mr. SMARAJIT RAY ,Assistant Director (VBD), Blood Transfusion Service Division, Dept. of Health and Family Welfare, Govt. of West Bengal as speaker. The programme was chaired by Prof. Dr. Nimai Chandra Saha, Principal ,Bidhannagar College and he gave the Welcome Address. Mr. Smarajit Ray with his thorough and lucid explanation of the fundamental aspects of the disease, kept the students captivated. In first part he tried to create awareness on HIV-AIDS among students and in 2nd session he aware the students on the importance of blood donation and different government initiative regarding the matter. He vividly explained the need for social acceptance and the removal of the stigma for better handling of the disease and made us aware about the misconceptions about Blood donation and HIV. Awareness Poster were made by our volunteer on HIV-AIDS. The programme was rounded off by a vote of thanks from Dr. Sudip Kr Ghosh, TCS, Bidhanagar College. 113 students, 10 faculty member were participated in the programme.
